Meet Marilyn Karpoff

A Lower East Side native and baby boomer, Marilyn understands the changing needs of the aging population as well as the issues facing their adult children. Moving On NYC is the natural outgrowth of her successful real estate company, Karpoff Affiliates. Moving On NYC can provide you with an individualized transition plan. If you are a baby boomer who has lost a parent, you may need help evaluating furnishings and finding a buyer for the residence. No matter what your circumstance, we provide you peace of mind and ensure that each project is handled with integrity.
